

WELCOME ABOARD!!

The Nlaka'pamux Health Services Society
would like to welcome aboard its new Office
Administrative Assistant, Linda Murray.

Linda Murray is the new Administrative Assistant at the Nlaka'pamux Health Services Society. Linda's Nlaka'pamux name, given to her by her maternal grandmother, is luxme7 and she was raised in Nlaka'pamux culture and tradition. Linda has lived in the Nicola Valley for most of her life. Her Nlaka'pamux ancestors, the Raphael's - Chief Dan Raphael and his daughter, Amy Raphael - were from Lytton, BC and their descendants, the Earnshaw's, later joined the Upper Nicola Band.

Linda's late father was a local Telephone Technician for the BC Telephone Company, while her mother worked in Finance at a local sawmill; together, her parents also owned a store and trailer park in Lower Nicola. Linda's brother works in spinal cord research, overseeing I.C.O.R.D. as Operations Manager, next to Vancouver General Hospital.

Linda received her education in the Shulus Kindergarten, Nicola-Canford Elementary, and Merritt Secondary School. She has completed her Major in English and has nearly finished her Bachelor of Arts Degree at Thompson Rivers University in Kamloops.

Linda's employment has included work as an Employment Counselor, BC Government Agent, Executive Assistant, and Small Business Owner.

In her free time, Linda enjoys the outdoors, movies, gardening, art and music, as well as bird watching, bluebird conservation, sewing, cooking, and baking. She has two cats, a dog, and one horse.
